Terms and Conditions of Business

We reserve the right to waive all or part or add to these terms and conditions.

1. BOOKING

Once a provisional reservation has been made, an option on the date will be reserved for 14 days after which time the reservation will be released automatically if a deposit has not been received. To confirm and secure your reservation, we require a deposit of £200 which is neither refundable nor transferable, but will be deducted from your final bill.

The client should make an appointment approximately 8 weeks prior to the wedding to discuss requirements in finer detail. A pro forma invoice will be issued at this time based on the initial numbers estimated. We require the table plan, place cards and final numbers for the day and evening receptions 14 days before the wedding, and this will be the figure for which you will be charged unless the numbers subsequently increase.

2. PAYMENT

All prices quoted are applicable to wedding receptions taking place before **1st January 2020** and are inclusive of VAT at 20%. A final invoice will be issued following confirmation of final numbers and this is payable no later than 7 days before the wedding. This invoice will cover the cost of food, reception drinks, wines and room hire where applicable. If after the event there is an outstanding balance it should be settled on the day.

3. CEREMONIES

It is not possible to hold a wedding ceremony at the Country Park Inn unless it is followed by a reception.

4. DAMAGE

Whilst you and/or your guests are occupying the property of the Country Park Inn, it would be appreciated if every effort is made to safeguard the existing fixtures, fittings and decorations. Any damage caused shall be restored by the proprietors, and the cost incurred will be recharged to the client.

5. GENERAL

Only food and drink purchased from the Country Park Inn may be consumed on the premises. If food or beverages are brought onto the premises for consumption, a charge will be made equal to our selling price for that or an equivalent product, which shall be in the absolute determination of the hotel. The duty manager may also confiscate food or beverages and return it to you on your departure.

Corkage facilities are not available.

The Country Park Inn places great emphasis on providing a pleasant and safe environment for its guests and staff. Should guests act in an improper or disorderly way, or refuse to comply with reasonable requests from our staff, we reserve the right to terminate your stay or event.

Should this occur, no monies will be refunded. The decision of the duty manager is final.
